

Women's Catholic Scripture Study 2026-2027

St. Mark Church
325 Marine View Avenue, Belmont, CA 94002
Thursday mornings: 9:45 AM – 12 Noon

Our study for 2026-2027 will be:

The Gospel According to Mark: A Look at the Son of God

The Gospel According to Mark is the shortest, most fast-paced and action-focused of the four Gospels. In this 26-week study we will get to know Jesus better as we walk with him in his public ministry as he performs miracles, heals people, and offers himself on the cross for our salvation. This journey will provide comfort and encouragement for hard times and also challenge us to follow Jesus in service and self-sacrifice.

We will begin Thursday, September 17, 2026 and end May 13, 2027 (with a seven-week break for Thanksgiving/Christmas and a few Thursdays off for Easter and other Spring Holidays).

Participants are encouraged to prepare by prayerfully reading the Bible passages and lesson pages and writing answers to the questions. For further reflection, there is an online study page for each lesson and video lectures available at: www.TurningtoGodsWord.com. Look under "TtGW Studies," scroll down to "New Testament studies," scroll across to "Synoptic-Mark," and click.

Our gatherings include an opening session, small-group discussions, and a wrap-up reflection. On first-Thursdays of the month, members are also invited to enjoy lunch together.

To enroll, please complete and return the registration form, along with your check made payable to Women's Catholic Scripture Study. Send to Tami Palladino, 2300 St. Francis Way, San Carlos, CA 94070
